Objectives - After Attending This Program You Should Be Able To

1. Describe the six key themes of the CPS model, and how the model focuses on problems (and solving them) rather than the behaviors that are being caused by those problems (and modifying them); the advantages of collaborative (rather than unilateral) problem solving; and the importance and feasibility of proactive (rather than reactive) intervention
2. Describe the three basic mechanisms by which adults handle unsolved problems and unmet expectations in kids (Plans A, B, and C) and what is accomplished by each.
3. Identify strategies for dealing with the various structural factors in schools that may impede implementation of the CPS model.

Disclosure of Conflict of Interest

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each individual in a position to control the content disclosed to Amedco.
