

OUR STATE, OUR **KIDS**

LIVES
IN THE
BALANCE

Kids with concerning behavior often receive the most harsh, punitive, exclusionary discipline, and kids in Idaho are no exception.

For a very long time, we've known that detention, suspension, expulsion, corporal punishment, restraint, seclusion, and arrests are harmful. They are not an effective way to help anybody. They're our kids, and they should be treated in ways that are compassionate and effective. Otherwise, we end up losing them and they end up costing our state and our local school systems a fortune.

The numbers in **IDAHO**
